

UNIT SIZE GUIDE

The amount of space you need depends on what you would like to store. Just ask our friendly staff who are trained in the exacting task of efficient storage to help you choose a unit size to fit your needs.

Listed below are descriptions of our most common unit sizes. Please note that space sizes are approximate and for comparison purposes only.

1.5m x 1.5m

This unit can hold small furniture, boxes or approximately 80 document archive cartons

2m x 3m

This unit can hold the contents of an average one bedroom apartment

3m x 3m

This unit can hold the contents of an average two bedroom home - or a larger unit or townhouse

4.5m x 3m

This unit can hold the contents of an average three bedroom home - including refrigerator, washing machine, furniture and smaller items

6m x 3m

This unit will hold the contents of an average three or four bedroom home - or provides ideal secure storage for a car, utility or boat

8m x 3m

This unit will hold the contents of a large four or five bedroom home - or provides ideal secure storage for a car, utility or boat
